

## Next Meeting!

Wednesday May 14th  
Wyndham Checkers

# IAHA LOS ANGELES

International Association  
of Hospitality Accountants

MAY 1997 ISSUE

### **May Meeting .....**

We are pleased to present what will prove to be an informative and hopefully valuable program to you during our May meeting. We have invited the Cal Poly Pomona Hotel School to display its program to us. Don St. Hilaire, who is a lecturer at Cal Poly, and one of our members, has agreed to coordinate the evening.

As you probably already know, IAHA awards a scholarship to a hospitality student at Cal Poly Pomona each year. This year we will announce the recipient and award the scholarship during dinner.

We have invited Cal Poly graduates, students, and professors to join us, many of whom are working in hotel properties throughout Los Angeles. Also joining us will be members of the LA Hotel Human Resources Association who we have invited because of the nature of the program.

### **April Meeting .....**

Last month, our meeting was held at the Peninsula Hotel in Beverly Hills. Our speaker Michael Schubach was gracious enough to fill in for our scheduled speaker who canceled at the last minute. He gave a truly funny and very

informative talk on MIS - the "Seven Points on maintaining a healthy MIS system." If you are a member and wish to receive a copy of the seven points please let us know.

### **Summer .....**

As you know, we have decided not to do a cruise this year because of the cost and date conflicts. Generally we have one social event during the summer months before our fall program starts again in September. We are considering a number of options for our summer event and hopefully we will be able to plan something that everyone will enjoy.

### **IAHA Board .....**

We are seeking new members for our board of directors for the year '97-'98. The term starts in September. If you have good ideas and wish to contribute to our organization we invite you to contact us as soon as possible.

Being involved on the board not only gives you a chance to change and improve things, but is a great opportunity to get to know other professionals in your field. There is a time commitment of course to attend monthly meetings and work on projects, about 2 hours

per week. So why not get involved? Call now if you have an interest or have questions. Call us not to offer your expertise. We need you.

The board encourages you to get involved and we look forward to seeing you at the May meeting.

Thank you

## WIN RAFFLE PRIZES!?

To keep the raffle going during our monthly meetings, we need prizes! Please donate logo items, a bottle of wine, or any fun item to represent your property! Proceeds go towards our scholarship fund.
