March Meeting Focuses on New Developments at Disney and in Anaheim

M - I - C ... K - E - Y

(Why? Because we love you!)...M - O - U - S - E!!!

We have a great meeting planned for this month. It is our annual joint meeting with the Orange County Chapter, and it is going to be at the new Disney Grand Californian Hotel. The topic will be on all the new Disney developments in Anaheim and what they see as the future of Anaheim, its convention center, and the almost overnight increase in hotel rooms.

Our host for the evening is Mr. John Opperman, who will give tours of the hotel during the reception. The meeting will be held in the Sorrel Room. We hope everyone will join us for a fun-filled and informative evening.

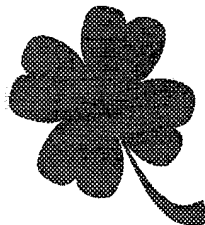

Looking forward to seeing you all there!

About Disney's Grand California Hotel

Located inside Disney's California Adventure Park, this 750-room hotel was the first to be built completely within a Disney Theme Park. The hotel is built in the architectural style of the Craftsman era, and its peaceful setting evokes memories of California at the turn of the century.
